Quintessence

ABSOLU N°5 it is the meeting of a winemaker and an oenologist passionately fond of a unique grape variety which produces the Muscadet: Melon de Bourgogne. From there, they left no stone unturned to let all the aromas of this grape so poorly known express themselves with power and intensity.

After researches and tenacity, 5 blended soils, 5 cultivating methods, 5 stages of innovative and original winemaking, 5 aromatic ranges gave birth to **ABSOLU N°5**.

Let yourself be tempted, seduced, captivated by the intense and balanced notes of ripe and candied fruits. Mix of surprises and sensations; all your senses are awake...

Of course, like the bottle, elegance and pleasure are present. Perfect balance in the mouth, like the generous and delicate curves of the case.

One advice: taste **ABSOLU N°5** and its essential fragrances!
